EXPERIENCE

QC Tech Video 1

February 2025 – Present

LMG, LLC – Entertainment Technology Partners

Las Vegas, NV

- Conducted quality control on 200+ projectors, including Panasonic, Christie, and Sony models, ensuring compliance with event standards
- Calibrated, tested, and cleaned projectors for events with audiences of up to 10,000
- Performed boresight adjustments and convergence calibration on projectors to optimize visual alignment
- Tested, cleaned, and maintained macOS and Windows laptop kits, ensuring system functionality for production teams

FlexForce Technician

November 2023 – February 2025

LMG, LLC – Entertainment Technology Partners

Las Vegas, NV

- Streamlined order fulfillment by scanning equipment using R2 inventory management software
- Collaborated in Video, Audio, Lighting, and LED disciplines, contributing to the setup, testing, and preparation of A/V equipment for shows and tours
- Safely loaded and unloaded trucks and returned rental equipment

Stagehand

October 2024 – January 2025

LMG, LLC – Entertainment Technology Partners

Las Vegas, NV

- Contributed to the setup, operation, and strike of A/V systems for live events, with a focus on video equipment
- Demonstrated adaptability and teamwork under tight deadlines to ensure event success

PROJECTS

ilysm | CSS, HTML, JavaScript, Adobe Photoshop

July 2023 – Present

- Developed a personal website receiving over 3,000 unique visits monthly, emphasizing positivity within an online community
- Illustrated website background images, assets, and visuals using Adobe Photoshop to enhance the site's aesthetic appeal and functionality
- Utilized animations to dynamically present images, adding depth to the user experience

Cat-Shaped Mailbox

April 2024 – May 2024

- Recreated a fully functional, cat-shaped mailbox based on a single measurement and low-resolution reference image, achieving a 99% design accuracy
- Employed prototyping, woodworking, metalworking, and painting techniques to replicate the object

FORMZINE VOL. 1 | Adobe Photoshop

March 2022

- Illustrated a two-page visual art spread using Adobe Photoshop, contributing to a zine
- Collaborated with a community of 40+ like-minded artists, pushing the boundaries of artistic expression
- Supported a fundraising initiative that donated 100% of proceeds to RAINN
